Custom Keepsake Order Details

When I evaluate your fiber and order, I will confirm all details including if there is an adequate amount of brushings for your selection. Keepsake costs include the cost of making both the yarn from your pet's hair and creating the keepsake item. If you don't have enough of your pet's hair for the keepsake you choose, a supplemental fiber can be added to increase the amount of finished yarn. Below are approximate dimensions and oz of undercoat needed to create them. Remember, each piece is custom and actual sizing and style will vary. Each animal and yarn is unique and I choose the stitch and style that best suits your yarn.
