Custom Yarn Order Details

Please select the yarn you are interested in.

Custom yarn is yarn made only with your pet's brushings.
 Blended yarn is yarn made with your pet's brushings and an additional fiber.
 *Blending is optional if your pet's hair is at least 1.5" long. Blending may be advised (shorter, coarse hair and often cat hair to prevent felting) Blended yarns have some elasticity, are easier to work with and will have less halo or fuzz. Alpaca and/or Merino are often used; occasionally bamboo.

*Tightly compacted hair or excessive debris will require additional processing and incur an added cost of \$6/oz

Custom Yarn \$39/oz	2 ply sport weight yarn made from clean undercoat
Custom Blended Yarn \$39/oz	2 ply sport weight yarn made from clean undercoat & supplemental fiber

Custom Keepsake Order Details. Keepsake prices include the cost of making the yarn from your pet's hair & creating the keepsake. If you don't have enough of your pet's hair for the keepsake you choose, a supplemental fiber can be added to increase the amount of finished yarn. Remember, each piece is custom and actual sizing and style will vary. Each yarn is unique and I choose the stitch and style that best suits your yarn. More information is available on my website.
